Board Meeting Change

Please note that the July board meeting has been moved one week from July 3rd to July 10th. This is to avoid the fourth of July holiday.

NEW MEMBER

Walter Scott, Vermont.

I am retired and live half the year in South Londonderry, VT where I am surrounded by great roads to enjoy my vintage sports cars. I bought my 1962 TG roadster S90 about a year ago after about a 4 to 5 year search – thanks to an assist by Alex Dearborn. I had previously owned a '57 Speedster 1600S and an '87 911 Carrera. Other cars in the garage are a '55 Arnolt Bristol Bolide (replaced the Speedster in the garage), a '63 Shelby Cobra (289), a 1955 Mercedes 300SL and a '60 BMW 507 (which I got 5 years ago after my life-long friend who had owned the car for 44 years passed away). January 2018

- We have a tentative date for next year's Holiday Party at Blue Hill Country Club in Canton, MA. The date is Sunday, January 28th, 2018 from Noon til 4pm. This Sunday is the bi-week between the final playoff games and the Super Bowl. Details to follow as we get closer.

July 13th Southeast Connecticut Mini-tour/Loafer's Lunch for Locals (LLL)

Note the date change from the original May 18th schedule: As it turns out, lavender does not bloom until late June, so we moved the drive date to July 13th. Hotel rooms being held nights of 12th and 13th for longer-range participants. See below.

Take a trip to Provence without flying to France! Enjoy a tour over some great 356 roads to visit the Lavender Pond Farm, enjoy a treatise over a bag lunch on the wonders of lavender. Follow that with a short tour to a picturesque vineyard (Chamard Winery) where we will park our little cars around a pretty pond to admire them while tasting wine and enjoying some light Hors d'Oeurves. Close the day or follow the crowd back to the Griswold along scenic Connecticut Shoreline roads.

Check out the following websites.

https://www.lavenderpondfarm.com/
https://chamard.com/
http://griswoldinn.com/

Overnight accommodations at the Griswold Inn in Essex are recommended for those driving from afar: Like the Essex Mini-tour of two years ago, we will hold some rooms available the night before and the night of the tour at the Griswold Inn in Essex, also the start point of the drive. A 6pm banquette after the tour is planned at the Gris and open to all.

Local TYP356ers are welcome to join just for the Thursday drive, a-la Loafer's Lunch, but are required to commit in advance to cover the $ for bag lunch and wine tasting. This tour is partially funded by the club, therefore, TYP356ne members and guest only for this event! No exceptions. The Thursday night post-drive festivities will be open to all members and friends.

MORE JULY EVENTS

Rick's Custom Fabrication Shop Tour

Saturday, July 15th, 10:00 to 12:00
37 North Central Street, East Bridgewater.

Rick is a master metal fabricator with lots of experience working on 356s. His shop has the equipment to do most anything with metal. We should see everything from big bore Hot Rods to PJ Bernard's, "We can save them all", 356A coupe as it is being brought back to life. You will be amazed at what Rick's shop can do to an automobile. As usual, the club will provide a pizza lunch and drinks.

Thursday, July 20, Loafers Lunch, Westport, MA and Southcoast.

The Southcoast has lots of twisty old farm roads mixed with great ocean, river and pond views and we'll 356 the best of them.

We will start at Partners' store, 865 Main Rd. Westport, MA.
Arrive 10 AM, depart 10:30.

Our drive will start by taking us east through Russell's Mills to Salter's Point in South Dartmouth, MA, the easternmost point of the drive. We then head back to Westport with a brief run along the ocean and the Westport River which we'll cross to go the old fishing village of Westport Point. From there we go to Little Compton, RI through the village of Adamsville to Sakonnet Point with great views of the island that Newport is on. Then, we'll head back to Westport Harbor and go to the Acoaxet Club for lunch. This golf and tennis club has really neat views of the Westport River, Horseneck Beach, Cuttyhunk and the Elizabeth Islands, along with the grand dame, Martha's Vineyard, out in the Atlantic.

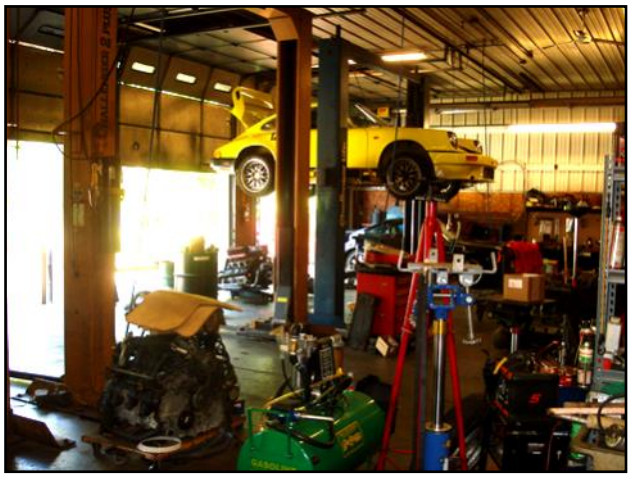
RECENT EVENTS -

Randolph Racing Shop Tour

On Saturday, June 10th, 20 members found their way to Randolph Racing in Stoughton MA for a shop tour. On a beautiful sunny, top down, sunroofs open, day, Kevin Saltzman, the owner of Randolph Racing, showed us around his large multi-bay shop. The place was crammed with Porsches, engines, transmissions, parts, and all the tools and equipment necessary to do anything to a car. Several interesting Porsches were there, including a 400HP slant nose, racing, 911, actor James Woods' concourse 1970, 911T and a badly rusted 911 Targa. Combined with our cars, there were Porsches everywhere!!!



Kevin discussed each 911 and his extensive experience in servicing or modifying them and other Porsches. He showed us the infamous Boxter intermediate shaft bearings that caused seriously expensive repairs. Kevin explained that the bearing failed because they were sealed by the manufacturer but when the seals leaked and the grease dried out they failed. The repair included open bearings that get lubrication from the engine oil.

Kevin admitted that he does not do much work on 356's and said he directs any serious work to our sponsor, George Nelson. George was on hand and showed us an engine case that was destroyed when the driver did not pay attention to the engine temperature. He also showed us the new (123 Ignition) distributer he installed in his 356A coupe (see cover). With this distributor he is able to adjust the advance curve by blue tooth from his iPhone!!! His coupe also has a fabulous aluminum gas tank (right) that was hand fabricated by Rick's Custom Fabrication in East Bridgewater. (We will be doing a shop tour at Rick's on July 15th)

A great day, with lots to look at and talk about and a great pizza lunch. Thanks to Tom Tate for setting this up and Kevin and George for providing the information. Ed T

Sisson Loafer's Lunch 2

On Sunday, June 4th, 2017 16 club members plus Willow, the Bush's Labrador retriever, in 11 cars met at Allen Sisson's home in Medfield, MA at 10 AM for a brisk one hour drive through the back roads of Medfield, Dover, Sherborn, and Mills. The skies were clear with the temperature in the high 60s. It was great driving weather. The drive ended at 11 AM at the Heritage Restaurant in Sherborn where all enjoyed a nice brunch. Everyone was able to make it home before rain started late in the day. This was a repeat of a similar loafer's lunch drive and lunch held in late April of this year. A good time was had by all.

Allen Sisson

Allen Sisson/Mary Grace Barbeque

Sunday, June 25th was a mostly sunny day as 30 members gathered at Allen Sisson and Mary Grace's home for their annual BBQ. As usual, the food was great as was the chance to sit and have some quality time with the other members.

We had a nice collection 356s and other cars on hand but the highlight of the day wase the 3 very nice speedsters of Sid Wilde (54), Rich MacKoul (55), and Bob DiCorpo (56). Quite a collection. Go to the website for more pictures.

We were all pleasantly surprised when Bill and Connie Collins arrived. The're back in the Northeast, having just purchased a home in Freeport, ME. We look forward to seeing them at future events again. Ed T

2017 VINTAGE MOTORSPORTS FESTIVAL at Thompson Speedway

Porsche Car Corral
Presented by
ThompsonSpeedway

The rainy Saturday morning did not stop at least 9 club members from attending the Vintage races at the Thompson Speedway. The only 356 was Norm and Jan Brust's cab with it's top down, as usual. The sky's cleared around 10:30 and we started our parade laps at 11:30. The pictures (right) tell the story. After the second lap, it poured again. The rain did not last long but Norm and Jan got wet and had to spend some drying the cab out. Tom Tate provided the umbrella shown on the cover. After that, the weather cleared. The rest of the day was sunny and several of us got a bit sunburned.

There was a nice selection of vintage race cars at the event, but only one 356 (below) on the track. There was another 356 and a 911 on trailers. A fun day. Check out Thompson's website for pictures. Ed T.
